The 3,333rd Krone Trailer for Hegelmann

Werlte/Spelle, June 2021 – The internationally active Hegelmann Group has now taken delivery of its 3,333rd trailer from Krone. Chairman of the Supervisory Board Bernard Krone, Managing Director Dr Frank Albers and the responsible Regional Sales Manager Klaus Foser welcomed the shareholders of the Hegelmann Group Siegfried and Anton Hegelmann in Spelle, who, accompanied by CFO Tomas Jurgelevicius, took delivery of the milestone vehicle. For this special event, the Cool Liner of the latest generation was provided with special lettering, which underlines the long-standing good partnership.

The current fleet expansion of the fast-growing Hegelmann Group includes 300 Profi Liners, 200 Cool Liners and 25 container chassis of the latest Box Liner generation. In addition to these vehicle types, Hegelmann also uses swap bodies and central axle trailers from Krone. The first order in this long-standing business relationship dates back to 2003.

About Hegelmann Group

Founded in 1998, the Hegelmann Group deals with transports of all kinds and serves customers throughout Europe and as far as the borders of China with its 26 branches. The company employs over 7,000 people, has a fleet of more than 4,000 trucks and generates an annual turnover of around 700 million euros. In addition to the transport business, the Hegelmann Group also operates its own service company with several locations in Europe, which works very closely with Krone Spare Parts Service: HT Trucks & Parts GmbH.
