New service partner

Krone Mobility now via EBTS

Werlte, February 1, 2021 – Every haulier knows the situation: a driver reports a breakdown, the vehicle is stuck. Now fast, competent help is needed. Krone Mobility offers this service through its new premium partner 'EBTS Always in Motion'. In the event of a breakdown, the driver contacts the EBTS emergency call centre, gives his or her name, the vehicle registration number, the chassis number, the company name of the vehicle owner and the location, and a team is on its way. Of course, EBTS is available free of charge around the clock, seven days a week. Another plus point: EBTS services are available in 18 languages; so drivers can be sure that there will be no communication problems in the event of an emergency call.

The new pan-European Krone Mobility service numbers are:
00800 225 55 76 76 or +49 (0) 5951 209 902.

About EBTS

Founded in 1994, EBTS is a multicultural support platform that ensures trucks and/or trailers are back up and running as quickly as possible in the event of an unexpected breakdown. With eight international service platforms in Belgium (headquarters), Germany, France, Macedonia, Moldova, Poland, Russia and Spain and numerous network partners throughout Europe, EBTS is one of the leading assistance providers and has been ensuring efficient and solution-oriented breakdown handling for more than 25 years.
