KRONE TRUSTED ECO:TYRE

Maximum efficiency for every kilometre.

Awarded the top efficiency class A, the KRONE TRUSTED ECO:TYRE delivers exceptionally low fuel consumption and high mileage, helping to reduce operating costs and boost profitability.

Its robust shoulder construction ensures even wear, while a special tread pattern effectively dissipates heat to extend tyre life. An anti-wear stability layer further enhances driving stability and long-lasting performance.

Designed for reliable traction and grip in all weather conditions, the ECO:TYRE is ideal for year-round use across Europe and proudly bears the 3PMSF marking. With a high load capacity of 164K, it's built to handle even the toughest applications.

The KRONE TRUSTED ECO:TYRE – for those who expect more from every journey.
