KRONE TRUSTED PRIME:TYRE

KRONE TRUSTED PRIME:TYRE – Designed for Mega Trailers

Specially engineered for mega trailers, the KRONE TRUSTED PRIME:TYRE delivers maximum efficiency and reliability for both long-distance and regional transport. Its 435 / 445 mm wide tread provides outstanding stability, while 14 mm deep grooves ensure excellent traction in wet conditions and promote even pressure distribution.

The result: longer service life, higher mileage, lower fuel consumption, and reduced CO₂ emissions.

With a 10-tonne axle load capacity, the 3PMSF winter certification, and a weight of just 68 kg, the PRIME:TYRE is a high-performance solution for operators seeking efficiency and durability in volume transport.
